RECOGNIZING THE LIFE OF WILLIAM OTIS FITCH

HON. TRENT KELLY

OF MISSISSIPPI

IN THE HOUSE OF REPRESENTATIVES
Monday, October 25, 2021

Mr. KELLY of Mississippi. Madam Speaker, I rise today to celebrate the life of Mr. William Otis Fitch who passed away on September 22, 2021. My thoughts and deepest condolences are with his family, friends, and loved ones.

Mr. Fitch was born on August 1, 1933. He was raised in Holly Springs, Mississippi and graduated from Holly Springs High School in 1951. Bill was an avid outdoorsman and enjoyed hunting and riding horses. After graduating high school, he enlisted with the U.S. Navy and joined the flight team. With this team he made lifelong friendships and considered it an honor to serve his country.

After his Naval service, Bill began his career in consumer finance and lending. He joined City Finance Corporation in Memphis as the Vice President. In 1974 Bill and his wife, Clydean, opened their own consumer lending company, First National Loans. He expanded the company throughout Tennessee. He sold the company and opened a new chain of consumer finance companies, Fidelity Loan Company. Over the course of his career he served as President and board member of the Mississippi Consumer Finance Association and Memphis Consumer Credit. He was a lifetime member of the Shriners.

Preceding him in death are his wife, Clydean; mother, Lurline; father, Theodore; and brothers Robert, James, and Jerry. Left to cherish his memory are his wife, Aleita; daughters Lynn and Lisa; six loving grandchildren, and three great-grandsons.

I am grateful for Mr. Fitch's service and join countless others in mourning his loss.

COST ESTIMATE FOR H.R. 3263, THE DHS MEDICAL COUNTER- MEASURES ACT

HON. BENNIE G. THOMPSON

OF MISSISSIPPI

IN THE HOUSE OF REPRESENTATIVES
Monday, October 25, 2021

Mr. THOMPSON of Mississippi. Madam Speaker, I include in the RECORD the cost estimate prepared by the Congressional Budget Office for H.R. 3263, the DHS Medical Countermeasures Act. The cost estimate was not available at the time of the Committee report filing.

U.S. CONGRESS,
CONGRESSIONAL BUDGET OFFICE,
Washington, DC, October 22, 2021.

Hon. BENNIE G. THOMPSON,
Chairman, Committee on Homeland Security,
House of Representatives, Washington, DC.

DEAR MR. CHAIRMAN: The Congressional Budget Office has prepared the enclosed cost

estimate for H.R. 3263, the DHS Medical Countermeasures Act.

If you wish further details on this estimate, we will be pleased to provide them. The CBO staff contact is Lindsay Wylie. Sincerely,

PHILLIP L. SWAGEL,
Director.

Enclosure.

H.R. 3263, DHS MEDICAL COUNTERMEASURES ACT AS PASSED BY THE HOUSE OF REPRESENTATIVES ON JULY 20, 2021

	By fiscal year, millions of dollars		
	2022	2022–2026	2022–2031
Direct Spending (Outlays) ..	0	0	0
Revenues	0	0	0
Increase or Decrease (–) ..			
in the Deficit	0	0	0
Spending Subject to Appropriation (Outlays)	1	5	*

* = not estimated.

Statutory pay-as-you-go procedures apply? No.

Increases on-budget deficits in any of the four consecutive 10-year periods beginning in 2032? No.

Mandate Effects:

Contains intergovernmental mandate? No.

Contains private-sector mandate? No.

H.R. 3263 would require the Department of Homeland Security (DHS) to establish a medical countermeasures program, led by the Chief Medical Officer, to facilitate the agency's preparedness for a chemical, biological, radiological, or similar attack, disease outbreak, or pandemic. The act would require DHS to maintain a stockpile of countermeasures (including antibiotics, antivirals, and treatment for radiation exposure), ensure deployment of these resources, and provide training to its employees. H.R. 3263 also would require the Chief Medical Officer to establish a countermeasures working group, develop an integrated logistics plan within 120 days, and report to the Congress on implementation of the program within six months.

DHS currently maintains a medical countermeasures stockpile. Using information provided by the agency, CBO estimates DHS would need three new employees to modernize the program and meet the training, oversight, and reporting requirements in H.R. 3263. Furthermore, the agency would require about \$500,000 per year to replace and modernize materials in the stockpile. On that basis, CBO estimates DHS would spend \$5 million over the 2022–2026 period to implement the legislation; such spending would be subject to the availability of appropriated funds.

The CBO staff contact for this estimate is Lindsay Wylie. The estimate was reviewed by Leo Lex, Deputy Director of Budget Analysis.

REMEMBERING DWIGHT ORVILLE BOYD

HON. TROY A. CARTER

OF LOUISIANA

IN THE HOUSE OF REPRESENTATIVES
Monday, October 25, 2021

Mr. CARTER of Louisiana. Madam Speaker, I rise today to recognize and remember Dwight Orville Boyd, a son of Louisiana, who transitioned to his eternal heavenly rest late night on Saturday, October 16, 2021.

He was at peace in his final moments beside his loving family.

He was 65 years old.

As the oldest of five sons, Dwight's family was always at the center of his world.

His brothers, including Glynn Boyd, one of my dearest friends, looked up to their older brother and recounted many stories from his life.

He shared how Dwight was the first to get a part-time job at Winn-Dixie, and that even as a young man, Dwight always made sure to give all his siblings gifts during the holidays.

Friends remember him graciously blessing them through his angelic voice when singing at church, in weddings, or at the 50-yard line during a high school football game.

He loved the New Orleans Saints, celebrating Christmas with family, music, and politics.

He made lifelong friends that described him as being the pillar of the community. Dwight still held childhood friends from Hahnville High School, where he was known as "Mr. Hahnville High School."

He studied journalism at LSU, and throughout his life was never afraid to speak his mind, but always respected the views of others.

He shined a light on everyone he encountered.

My thoughts are with Dwight's mother Mrs. Beverly H. Boyd, his loving family, friends, and neighbors as they reel with this loss.

Rest easy, and may God bless his memory.

CELEBRATING TEXAS SOUTHMOST COLLEGE'S 95TH ANNIVERSARY

HON. FILEMON VELA

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Monday, October 25, 2021

Mr. VELA. Madam Speaker, I rise today to honor Texas Southmost College (TSC) as they celebrate their 95th anniversary, making it the oldest institution of higher learning in the Rio Grande Valley.

Texas Southmost College is the first accredited community college in the State of Texas. Originally named The Junior College of the Rio Grande Valley, TSC was established on August 9, 1926, with 84 students attending the first classes held on September 21, 1926. In 1931 it was renamed Brownsville Junior College, before its final renaming to Texas Southmost College in 1949. After a 20-year partnership with University of Texas at Brownsville, TSC's Board of Trustees voted to re-establish the college as an independent institution in 2011 and it was operating independently by 2013. The campus, spanning over 48 acres, is located in Brownsville, Texas on the historic site of Fort Brown, the first United States military post in the state.

TSC was selected as a "Bright Spot" by the White House Initiative on Educational Excellence for Hispanics in 2015 for its efforts to bridge the achievement gap and expand access to quality higher education. In addition to offering high-quality programs that lead to careers that are in demand, TSC is the most affordable institution of higher learning in the Rio Grande Valley, thanks to TSC's Board of

Trustees decision in 2013 to reduce tuition by 40 percent. TSC currently offers two-year academic credential progression in over 50 programs of study for students pursuing bachelor's degrees, and career and technical education leading to industry certifications and associate degrees. They also offer dual-credit academic, career, and technical courses at no cost to students, saving families in the Lower Rio Grande Valley \$28 million in tuition and related fees since 2017.

In 2018, TSC earned the designation of fastest-growing community college in the state of Texas, and their graduation rate now outpaces the Texas state average by more than three percent. The Board of Trustees, along with TSC President Jesus Roberto Rodriguez, Ph.D., continue to set goals to ensure the long-term viability of the institution with a focus on fostering student success, leading regional workforce development, enriching student experiences, enhancing community connections, and investing in each other.

Texas Southmost College prides itself on fostering a welcoming environment and a sense of belonging for all. Madam Speaker, I ask my colleagues to join me in congratulating TSC on 95 years of invaluable service to the Lower Rio Grande Valley. Through education, community outreach and the promotion of individual success, Texas Southmost College continues to strengthen the state of Texas' prosperity and talent.

COMMEMORATING THE 75TH ANNIVERSARY OF WKDK RADIO

HON. RALPH NORMAN

OF SOUTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

Monday, October 25, 2021

Mr. NORMAN. Madam Speaker, I rise today to commemorate the 75th anniversary of WKDK Radio and celebrate the success of James Coggins and his son Jimmie Coggins.

WKDK opened its doors on October 26, 1946. Three years later, James received an offer to manage the station. James bought WKDK in 1951, and the radio station has been a Coggins family-owned business ever since.

James, also known as "Mr. C," believed radio was supposed to serve the community, and that's exactly what WKDK has been doing for the last 75 years. WKDK covers local, state, and national events each day and has kept the public informed on major events, such as the assassination of President John F. Kennedy, the tornado of 1984, the 9/11 attacks, and the eclipse of 2017. The station also serves as a source of connection and entertainment and reports on important community initiatives, such as local election news, Coffee Hour, weather updates, and the announcement of anniversaries and birthdays.

After the passing of Mr. C, his son Jimmie took over management and ownership of the radio station. In addition to continuing his father's success at WKDK, Jimmie has also kept his civic-minded and community-centered spirit alive. Each year, Jimmie takes time out of his schedule to train and mentor students interested in journalism and radio broadcasting.

As testament to the station's accomplishments, WKDK has received numerous honors and recognitions, including the March of Dimes Award, the South Carolina National

Guard Certificate of Appreciation, the Rotarian Radio Appreciation Award, the Red Cross Appreciation Award, and an award from the Newberry County Board of Education for Outstanding Contributions to Newberry County Public Schools. The success of WKDK would not be possible without the outstanding leadership of James and Jimmie, who are also recipients of numerous individual accolades. Both James and Jimmie have been honored by the Newberry Touchdown Club and have been recognized as the Rotarian of the Year for multiple years. In 2010, James was also awarded the Order of the Palmetto, the state of South Carolina's highest civilian honor presented in recognition of a lifetime of extraordinary achievement, service, and contributions on a national or statewide scale.

On behalf of the 5th district of South Carolina, I thank WKDK for serving as the voice of Newberry County for the last 75 years. I congratulate them on their outstanding success, and I look forward to hearing about their future accomplishments.

SUPPORT OF THE U.S. FLAG
MARITIME FLEET**HON. ELAINE G. LURIA**

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Monday, October 25, 2021

Mrs. LURIA. Madam Speaker, today I want to highlight the importance of the U.S. flag maritime fleet to our economic and national security. While only two percent of our country's imports and exports move on U.S. ships, the U.S. shipping industry supports, over 650,000 U.S. jobs, has over \$150 billion in annual U.S. economic impact, and plays a critical role in supporting our military's ability to project power and meet wartime requirements.

Shipping is the most energy efficient way to move cargo, and we heavily rely on the U.S. flag fleet for trade security, diplomatic and maritime strength, and our readiness to defend and support American interests overseas.

The U.S. has only 84 international deep sea trading vessels, but the rest of the world has over 50,000. China alone has nearly 7,000.

The United States needs a robust U.S. flag maritime industry and a trained and qualified mariner workforce to support our surge sealift capabilities in responding to crises and military operations around the world when called upon. Further, the U.S. flag fleet routinely responds to disasters and emergencies, moves critical government and military cargo around the world, and carries American farm products in support of U.S. international development programs to help developing countries in need.

The shipping industry is facing unprecedented challenges today, but one thing we know all too well is that a strong commercial maritime capability enhances our national security. The Maritime Security Program which has broad bipartisan support in Congress is the single most important program to assist U.S. flag ships in foreign trade and helps ensure that we retain this important military capacity.

While the U.S. is the largest trading nation in the world based on exports and imports of goods and services, without strong sustained support, the U.S. flag fleet faces difficult challenges which have significant potential to negatively impact America's national security. I want to thank the U.S. flag fleet and the U.S. merchant mariners who work every day to support our military and our Nation.

HONORING THE 90TH BIRTHDAY OF
GERALD E. TALBOT, MAINE'S
FIRST BLACK LEGISLATOR**HON. CHELLIE PINGREE**

OF MAINE

IN THE HOUSE OF REPRESENTATIVES

Monday, October 25, 2021

Ms. PINGREE. Madam Speaker, today I rise to honor my constituent, Gerald E. Talbot, who is celebrating his 90th birthday this year and who I wish to recognize for his instrumental role in advancing civil and human rights in Maine and across the nation.

After serving in the U.S. Army, Gerry Talbot's activism was sparked when he participated in voter registration drives and was among only a handful of Mainers at the his-

toric 1963 March on Washington, after which he became the founding president of the Portland, Maine, chapter of the NAACP. In that role, he helped pass the Maine Fair Housing Bill and the Maine Human Rights Act. As the state's first African American legislator, Gerry fought for a state holiday honoring Martin Luther King, Jr. and championed issues not traditionally addressed at the time, ranging from gun control and protections for migrant workers to fair housing and tribal sovereignty. In 1977, he sponsored Maine's first gay rights legislation.

Throughout his life, Gerry Talbot has worked to educate people about the Black experience. As an avid collector of books, posters, photographs, and other artifacts, as well as personal papers and records, he has helped document Black history in Maine and throughout the country. In 2006, he co-authored Maine's Visible Black History: The First Chronicle of its People. A sought-after speaker, Gerry generously shared access to his historical memorabilia wherever he went, and in order to inform generations to come, he donated it to the African American Collection of the Jean Byers Sampson Center for Diversity at the University of Southern Maine.

In Maine, public service and a commitment to others is the backbone of our communities, and Gerry Talbot is a shining example of these important values and commitments. Schools and parks have been named in his honor, and honorary degrees have been awarded. Today I am privileged to recognize his (or Gerald E. Talbot's) contributions to my state by entering his story into the official record of our great nation.

RECOGNIZING THE LIFE OF
MATTHEW WADE BUTE**HON. TRENT KELLY**

OF MISSISSIPPI

IN THE HOUSE OF REPRESENTATIVES

Monday, October 25, 2021

Mr. KELLY of Mississippi. Madam Speaker, I rise today to celebrate the life of Staff Sergeant Matthew Bute, a veteran and member of the Mississippi Rifles—the 155th Infantry Regiment in the Mississippi National Guard. He passed away September 10, 2021 in his home in Gulfport, Mississippi. I join his family, friends, and loved ones in mourning his loss.

Matthew grew up in DeKalb, Illinois and graduated from Long Beach High School in Mississippi. He was an outstanding student and athlete—a defensive outside linebacker on the football team. In his civilian life, Matt worked for Inland Dredging and was known for his hard work. In the Mississippi National Guard, he was a dedicated leader and a selfless Soldier. He was a devoted friend and model of Army leadership.

SSG Matthew Bute served as a Dismounted Infantry Squad Leader in 2nd Platoon, Company B, 1st Battalion, 155th Infantry Regiment, 155th Armored Brigade Combat Team, Mississippi Army National Guard. He was responsible for training a squad of infantry Soldiers. His military career began in 2012 and he has served in the Mississippi Guard for 9 years. He was promoted to the rank of Staff Sergeant in May of this year. He deployed under the command of my current Legislative Director, Major Rodney Hall Jr., in support of Oper-

ation Spartan Shield and served in Kuwait and Iraq. Most recently, SSG Bute volunteered to protect our Nation's Capital during Operation Civil Unrest in Washington, D.C.

Left to cherish his memory are his older brother Brad and his nieces, Brooklyn and Raine. He is preceded in death by his mother, Jennifer Holmes, and younger brother, Nathan Thumm.

SSG Matthew Bute was a brave Soldier, a remarkable leader, and an outstanding friend to many. I am grateful for his service to our state and nation.

PROVIDING URGENT MATERNAL
PROTECTIONS FOR NURSING
MOTHERS ACT

SPEECH OF

HON. DAVID N. CICILLINE

OF RHODE ISLAND

IN THE HOUSE OF REPRESENTATIVES

Friday, October 22, 2021

Mr. CICILLINE. Madam Speaker, I rise today in strong support of the Providing Urgent Maternal Protections for Nursing Mothers Act—known as the PUMP Act.

All too often, the workplace is not an equal place for women as they face unequal pay for equal work and other forms of gender-based discrimination. Mothers face even greater barriers.

Mothers who choose to breastfeed should not be forced to choose between returning to work and breastfeeding. And they certainly should never have to pump in a place that is not safe, private, or comfortable.

The PUMP Act takes the long-overdue step of ensuring that every employee who chooses to breastfeed will have the time and a designated, private space to pump without penalty.

Nine million American workers will be covered by these new protections, ending unfair, discriminatory practices and allowing more mothers and infants to receive the scientifically proven health and nutritional benefits of breastfeeding.

I want to thank Chairwoman MALONEY for her leadership on this important, bipartisan bill to support working mothers, and her historic leadership on supporting working women and families.

I am proud to support this vital legislation, and I urge all of my colleagues to support it as well.

HONORING CAROL COON

HON. DANIEL MEUSER

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

Monday, October 25, 2021

Carol has been a devout Christian all her life and has lived her life in a manner focused always on glorifying God. Her ordination is the fulfillment of a long-held dream and consummates her lifelong journey of faith in God. As the Member of Congress for Pennsylvania's Ninth District as well as Carol's nephew

and Godson, it is my honor to congratulate her on her ordination and let her know how proud her family, church, and community are of her wonderful accomplishment.

In addition to wishing her well and praying for her in her ministry, I also know that many people will benefit spiritually from Carol's ministry.

May God continue to bless Carol, her family, and her church.

RECOGNIZING THE LIFE OF ANDREW CARTER

HON. TRENT KELLY

OF MISSISSIPPI

IN THE HOUSE OF REPRESENTATIVES

Monday, October 25, 2021

Mr. KELLY of Mississippi. Madam Speaker, I rise today to celebrate the life and service of Mr. Andrew Carter who recently celebrated his 100th birthday. He is a member of the greatest generation, and I am very proud to have men like Mr. Carter representing the state of Mississippi.

Mr. Carter is a native of Tippah county. He joined the U.S. Navy on May 17, 1944. He loves to tell stories of his time aboard the SS *Felipe De Nerve*, a French liner used to transport troops and supplies during heavy fighting. He survived and returned home to Mississippi. In December of 1946, Mr. Carter married Naomi Street. The couple had six children together.

Mr. Carter currently resides in Ripley. He enjoys trips to the local coffee shop to spend time with his friends, mowing the lawn, and exercising. He is a natural storyteller and has no shortage of experience.

I am so thankful for Mr. Carter's lifetime of service to this country and the state of Mississippi. I wish him many more years of good health and happiness.

HONORING KAY VANAGS AS IOWAN OF THE WEEK

HON. CYNTHIA AXNE

OF IOWA

IN THE HOUSE OF REPRESENTATIVES

Monday, October 25, 2021

Mrs. AXNE. Madam Speaker, I rise today to honor Kay Vanags as Iowan of the week. Kay has provided valuable services to constituents in Iowa's 3rd Congressional District for over 20 years through her work as LifeLong Links Director at Aging Resources of Central Iowa. The organization provides services to individuals in Dallas, Madison, Warren, and Polk

counties in our district, as well as Boone, Story, Jasper, and Marion counties in Iowa. Kay's work has had a widespread impact on Iowa's senior community and their family caretakers.

Kay has a background in teaching, but she was led to a career in social service following her experience as a caretaker for in-laws who had memory and physical issues requiring attentive care. Her experience motivated her to advocate for family caregivers and the elderly who are experiencing similar situations.

Kay's service to family caregivers ensures that they have the information and resources they need to properly care for their loved ones. She advises and connects folks with housing, transportation, and health insurance issues—which are often difficult areas for people to navigate on their own without the institutional knowledge Kay can share. Kay also provides counseling, as the change in roles and relationships between a caregiver and their loved ones often provides a unique challenge for families to navigate. Based on her own experience as well as additional training, Kay also provides education to caregivers about care strategies—particularly to those caregivers who have loved ones with memory issues—and those who struggle with the stresses of work/life balance.

Kay enjoys advocating for folks as they navigate some of the most difficult and personal situations and having the opportunity to share information and guidance for those in need. Aging Resources of Central Iowa receives approximately 1,000 calls per month, and about half of those are from family caregivers. Kay continues to engage with community health provider groups, which build relationships and important partnerships that benefit the entire community. Particularly throughout the COVID pandemic, as calls increased, Kay and her team successfully shifted their operations so they could continue to provide direct assistance to those in need. It is important to highlight Kay and the team at Aging Resources of Central Iowa for their continued service to our district and the people of Iowa.

I am proud to honor Kay Vanags as Iowan of the Week.
